About us

Introduction

Gymnast to Gymnast INC is a non-profit organization dedicated to empowering young female gymnasts in the Bahamas and beyond. Our mission is to empower and create confidence in young female gymnasts starting in the Bahamas and eventually other countries.

Our Mission

We aim to empower and create confidence in young female gymnasts by:

1. Donating essential gymnastics attire such as leotards, sports bras, and spandex.
2. Providing equipment and funds to support training facilities and aid in the development of gymnasts.
3. Cultivating self-confidence and resilience in the gym environment through mentorship and support programs.

Founder's Inspiration

Our founder, with Bahamian roots and a profound passion for gymnastics, established Gymnast to Gymnast INC after witnessing firsthand the challenges faced by aspiring gymnasts in the Bahamas. She noticed significant disparities in gymnastics facilities and equipment availability during her visits. Motivated by this experience, she was inspired to create an organization that provides much-needed support and resources to young gymnasts in need.
